PTSA NEWSLETTER - NOVEMBER 2017

Message from the Board:

Thank you ...thank you...thank you!

We had a beyond amazing pouring of support from parents, teachers, students and staff who attended our First Annual Trunk or Treat and made this an event that will definitely be remembered. The children specially were able to experience firsthand how special it is when the community comes together to share these experiences.

We all worked very hard in making this happen and we hope you all enjoyed it. We could not be happier with the outcome and we look forward to many more amazing events!

This Thanksgiving we'd like to take the opportunity to thank all those who go out of their way and come together for a common goal, to make our school great!!! It really does take a village to raise a child and if we all do our part and work together we can raise some great kids!

On behalf of the PTSA, we wish you all a wonderful Thanksgiving filled with love, family and peace.
